Thank you

On behalf of the RSPCA Nottingham and Notts branch I would like to thank the Burton Joyce Players for once again supporting us this evening. Whilst the RSPCA Nottingham and Notts has a national logo, we are a self-funding branch of the RSPCA and rely heavily on donations and help from the public. Fundraising is a big part of what we do at the branch office in Hyson Green. 137 Radford Road is not only HQ for us but also home to 'The Harrods of Hyson Green', our charity shop – the moniker given by a customer! We are always in need of donations, so please bear us in mind when you are having a clear out.

Thank you to everyone who has helped with our two performances, there are too many people to mention, I'm not just talking about the actors but all the help backstage with the catering, setting and clearing up, costumes, sound and lighting the list is endless but this means we will have raised a decent amount of money to help the multitude of animals in our care. By giving us your precious time you help fund vets bills, assist with boarding costs or simply contribute to the day to day running of keeping the animals happy and healthy. They are with us until we can find them the forever home they deserve and your input assures we can continue providing what they need until that home is found.

It's fantastic working for a charity however, your poor family and friends do seem to become involved sometimes a little more than they would like (you all know who you are). A MASSIVE THANK YOU TO YOU ALL x
