About the Cast:

Christine Keegan, Kathy Saric and Ian Hichens are no strangers to the Burton Joyce Stage. Christine also appears at the Lace Market Theatre and Mansfield Civic Theatre regularly. Ian has played with both Carlton and Nottingham Operatic Societies. Graham Smith has both performed in and directed recent Burton Joyce productions. Sue Evans last appeared in 'Little Jack Horner' and other Farndale plays. Victoria Pepper last played in 'Not with a Bang': Victoria is an ex-Central T.V. workshop actress. Marilyn Drake is more often backstage with a paintbrush, working on pantomime backcloths, and she just loves acting in Farndale productions.
