NOT WITH A BANG

Following in the footsteps of the last play I directed here, ' Accrington Pals ', this is another anti-war play. However, now we move on from 1914 - 18 to the late 1970's.

In this wry, amusing look at the nuclear disarmament issue, when the wives cannot get their husbands to resign from the T.A. they go on a sex strike, with the slogan *'No Nooky against the Nukes'*.
