Our thanks also to Maria Broadbent of Rainbow for lending us her window and to all those who display posters.

Our special thanks and sympathies to all those who have loaned properties, costumes and members of their families, and to those who have given of their time to help backstage and with refreshments.

SYNOPSIS

Running a health farm in a decaying mansion can be hazardous at any time, as Eddie Manchip knows.

Beset by a crook to whom he has signed away the deeds of the house, a complete desertion of the staff except for one half-witted excited maid, an erring pompous brother, his suspicious wife, a semi-nude tennis player, a quick-change artist who appears as someone different every few minutes, the tennis player's Scottish husband and a hearty country woman grabbing second-hand clothing.... the result can be in a word - CHAOS!
